

## **Social Events/Activities Volunteers**

We're looking for volunteers to help out with the various social events and activities we organise for asylum seekers and refugees throughout the year such as day trips, football sessions, Refugee Week events etc..

This volunteering role is flexible and volunteers will work closely with the BRASS Integration Officer and other staff and volunteers to deliver well managed and successful social events and activities.

The role may involve assistance with planning events/activities, liaison with external individuals and organisations, purchase of food, drink and other sundry items (BRASS funded), greeting visitors to an event, preparing and serving refreshments, setting up and clearing away events, recording attendance etc...

For coach trips, you may be asked to check clients on and off a coach, ensure a timely return to the coach prior to departure from venue, help with the completion of questionnaires and other such assistance.

Our social events and activities are always well subscribed and much enjoyed by our asylum seeker and refugee clients. If you enjoy helping people, have good organisational skills and would like to be part of our social events delivery, we'd love to hear from you!
